The Week That Was

Last Week we had a great meal with the Pot Luck Dinner. Carolyn provided a very nice dessert and for those members lucky enough to stay after the meeting, a very enjoyable slice to have with our coffee. The coffee and slice are now a part of our weekly meetings, so I would like to see all members stay and enjoy some fellowship after each meeting. Now I'm not the most experienced person when it comes to food. I don't eat much and rarely eat dessert, so I asked everyone sitting behind me on Tuesday night to vote for their favourite meal. I've included that recipe for everyone to try at home.

International
Convention 6th to
9th May 2012**

AND

**The 9650 District
Conference at
Inverell 9th to 11th
March 2012**

Ingredients (serves 8)

- 2 tablespoons olive oil
- 1kg half leg of lamb
- 1 large brown onion, finely chopped
- 2 garlic cloves, crushed
- 4 slices pancetta, finely chopped
- 2 medium carrots, peeled, cut into 1cm pieces
- 2 celery stalks, cut into 1cm pieces
- 1/4 cup chopped fresh herbs (rosemary, thyme and sage)
- 1/2 cup red wine
- 2 tablespoons tomato paste
- 2 x 400g cans diced tomatoes
- 2 OXO chicken stock cubes, crumbled
- 500g dried pappardelle pasta
- Shaved parmesan cheese, to serve

Method

1. Heat oil in a large, heavy-based saucepan over medium-high heat. Add lamb. Cook for 2 to 3 minutes each side or until browned. Transfer to a plate.
2. Add onion, garlic, pancetta, carrot, celery and herbs to pan. Cook, stirring occasionally, for 10 to 12 minutes or until onion has softened. Add wine. Cook for 1 minute. Add tomato paste, tomato, stock cubes and 2 cups cold water. Stir to combine. Bring to the boil. Return lamb to pan. Cover. Reduce heat to low. Simmer, turning halfway during cooking, for 2 hours 30 minutes or until meat is tender. Transfer lamb to a large plate. Cover with foil to keep warm.
3. Increase heat to medium. Bring tomato mixture to the boil. Cook, stirring occasionally, for 15 minutes or until thickened.
4. Remove and discard fat and bone from lamb. Using 2 forks, coarsely shred lamb. Add to tomato mixture. Stir to combine.
5. Meanwhile, cook pasta in a large saucepan of boiling, salted water, following packet directions, until tender. Drain. Transfer to a platter. Top with lamb mixture and parmesan. Serve.

Last week we enjoyed our first "Pot Luck" Dinner and we all enjoyed a great meeting with a great range of food on the "buffet" table thanks to our members and their partners.

As usual our resident Chef Caroline spoilt us with a beautiful desert and some of her specialty slice for the concluding cuppa at the end of the meeting.

Our guests included partners Chris Thompson, June Weir and Pam Dures, visitor Past President Peter Coulon and our delightful Exchange Student Tova Roos who also fulfilled the role of Guest Speaker for the evening.

Youth Chairman Leonie reported that we had 3 applicants for Rotary Youth in Agriculture (RYAG) Dairy to be held at Wingham and we agreed to support each of the students with the Club agreeing to pay half of the Registration Fees. No doubt we will hear from these students upon their return from the program.

Administration Director and Vice President Bob Gilligan reported that he had had a positive discussion with Port Macquarie Hastings Council staff member Trevor Schubert in relation to the need for and construction of Bus Shelters at Bundaleer Gardens in Cameron Street and Hastings Court in High Street. Bob advised that if we arranged for the concrete slab then Council would likely provide and install the actual Bus Shelter. The Club agreed that Bob progress this and that we would provide the slabs.

The usual "fines session" under the supervision of Sergeant John Meldrum extracted funds from everyone present I think and then some.

Tova then provided a great presentation that gave us all a great snapshot of her life in Sweden through the journey of a year.

This was an excellent overview and Tova did a great job in both the preparation and the delivery of her Presentation.

Tova also presented to the Club a Banner from her host Rotary Club – The Rotary Club of Sandviken.

I also reported that we will again combine with the Rotary Club of Laurieton to sell the Melbourne Cup Calcutta Tickets as this was a successful Fundraiser for us last year and I am sure that it will be again this year.

I can also report that following the agreement at the meeting to progress the installation of a Projector and Screen to assist in presentations. Phil Snow has recommended that we acquire a 100cm HD Television that we can feed presentations into and in that way we do not need a projector and a screen.

Phil is arranging for this to be installed and it was agreed that if the one television is not visible for the whole room then we can acquire a 2nd one and join the same presentation to the 2 screens if required and that would still be cheaper than the Projector and screen. Thank you Phil.

Finally I remind you that next week, 30th August, we host our 2011-2012 District Governor Barry Hacker and his wife Bronwyn. This is always a great evening where we as a Club get to hear the message of the current Rotary International President and the specific areas of focus of the District Governor for the Rotary year. It is a partner's night and will be a great opportunity for club members to get to know our District Governor Barry and Bronwyn that little bit better.

I again remind Board members that we are meeting as a Board at our clubrooms at 5:29pm together with DG Barry and Bronwyn and that non Board members, partners and guests are encouraged to

arrive at 6:15pm to 6:30pm for a 6:55pm sit down for dinner.

I wish you another successful week in Rotary and community service as we together make our community a better place to live, work and play.

Finally I leave you with one of my favourite "sign-offs" that is used by at the foot of the "People e-mail" Newsletters by Phil Evans:

*Remember: "What other people do or say is their stuff; how we react, or not, is our stuff!"
And: "True Happiness in life isn't having what you want, but wanting what you have!"
And lastly: "What other people think of you is none of your business!"*

The Rotary emblem

The Rotary emblem is a trademark owned by Rotary International and is protected throughout the world by the international association. The words "Rotary" and "Rotary club," and the Rotary emblem are trademarks of Rotary International registered in over 60 countries. This number increases on an annual basis.

Rotary's early emblem was a simple wagon wheel (in motion with dust). It was designed in 1905 by Montague M. Bear, a member of the Rotary Club of Chicago who was an engraver. He designed the emblem to represent both civilization and movement. Most of the early Rotary clubs adopted the wheel in one form or another.

The present emblem, 24 cogs and six spokes, was adopted in 1924. A keyway was added to signify usefulness. An official description of the emblem was adopted at the 1929 International Convention.
